

An initiative to help pharmacists strengthen vaccine confidence in their patients and communities
vaccineconfident.pharmacist.com

Super Heroes of COVID-19 Vaccination Coloring Book

The project was funded in part by a collaborative agreement with the Centers for Disease Control and Prevention (CDC)—CoAg number 1 NU50CK000576-01-00. The CDC is an agency within the Department of Health and Human Services (HHS). Contents of this resource do not necessarily represent the views of the CDC or HHS and should not be considered an endorsement by the Federal Government.

Acknowledgement

APhA would like to thank the many artists who submitted drawings for consideration. All delivered outstanding and impactful messages. Unfortunately, we were limited regarding the number of submissions we could select for this final product. We encourage all to continue to support efforts to improve vaccine confidence and uptake.

The selected artists include:

Michele D.
Georgia

Shay R.
Pennsylvania

Miriam S.
Oregon

Brenda B.
New York

Kimmy N.
Pennsylvania

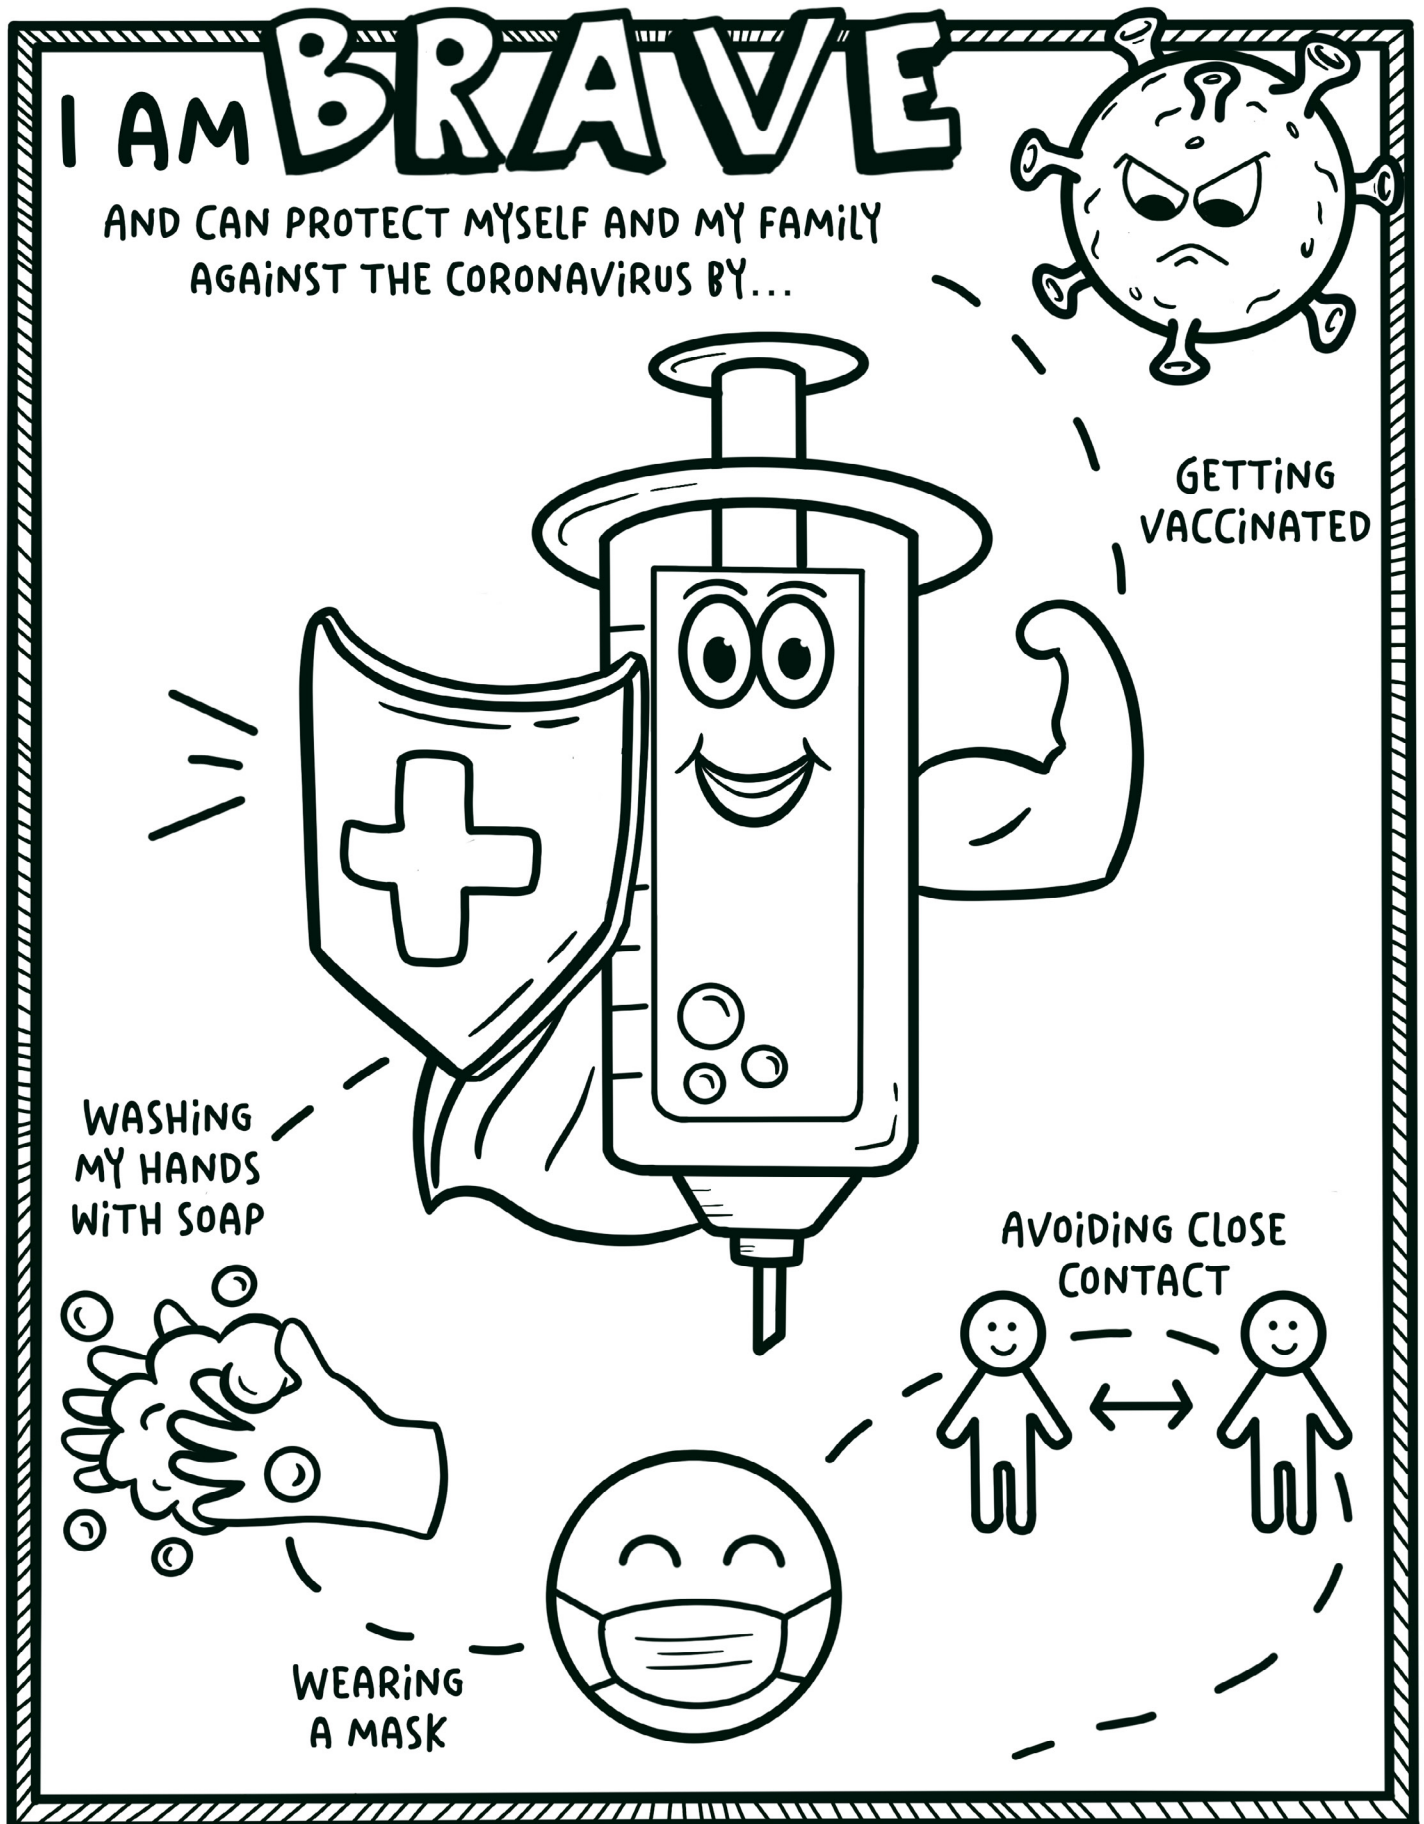

Ruth L.
Pennsylvania

Alayna K.
Ohio

Yusra S.
Michigan

Kelcie M.
Pennsylvania

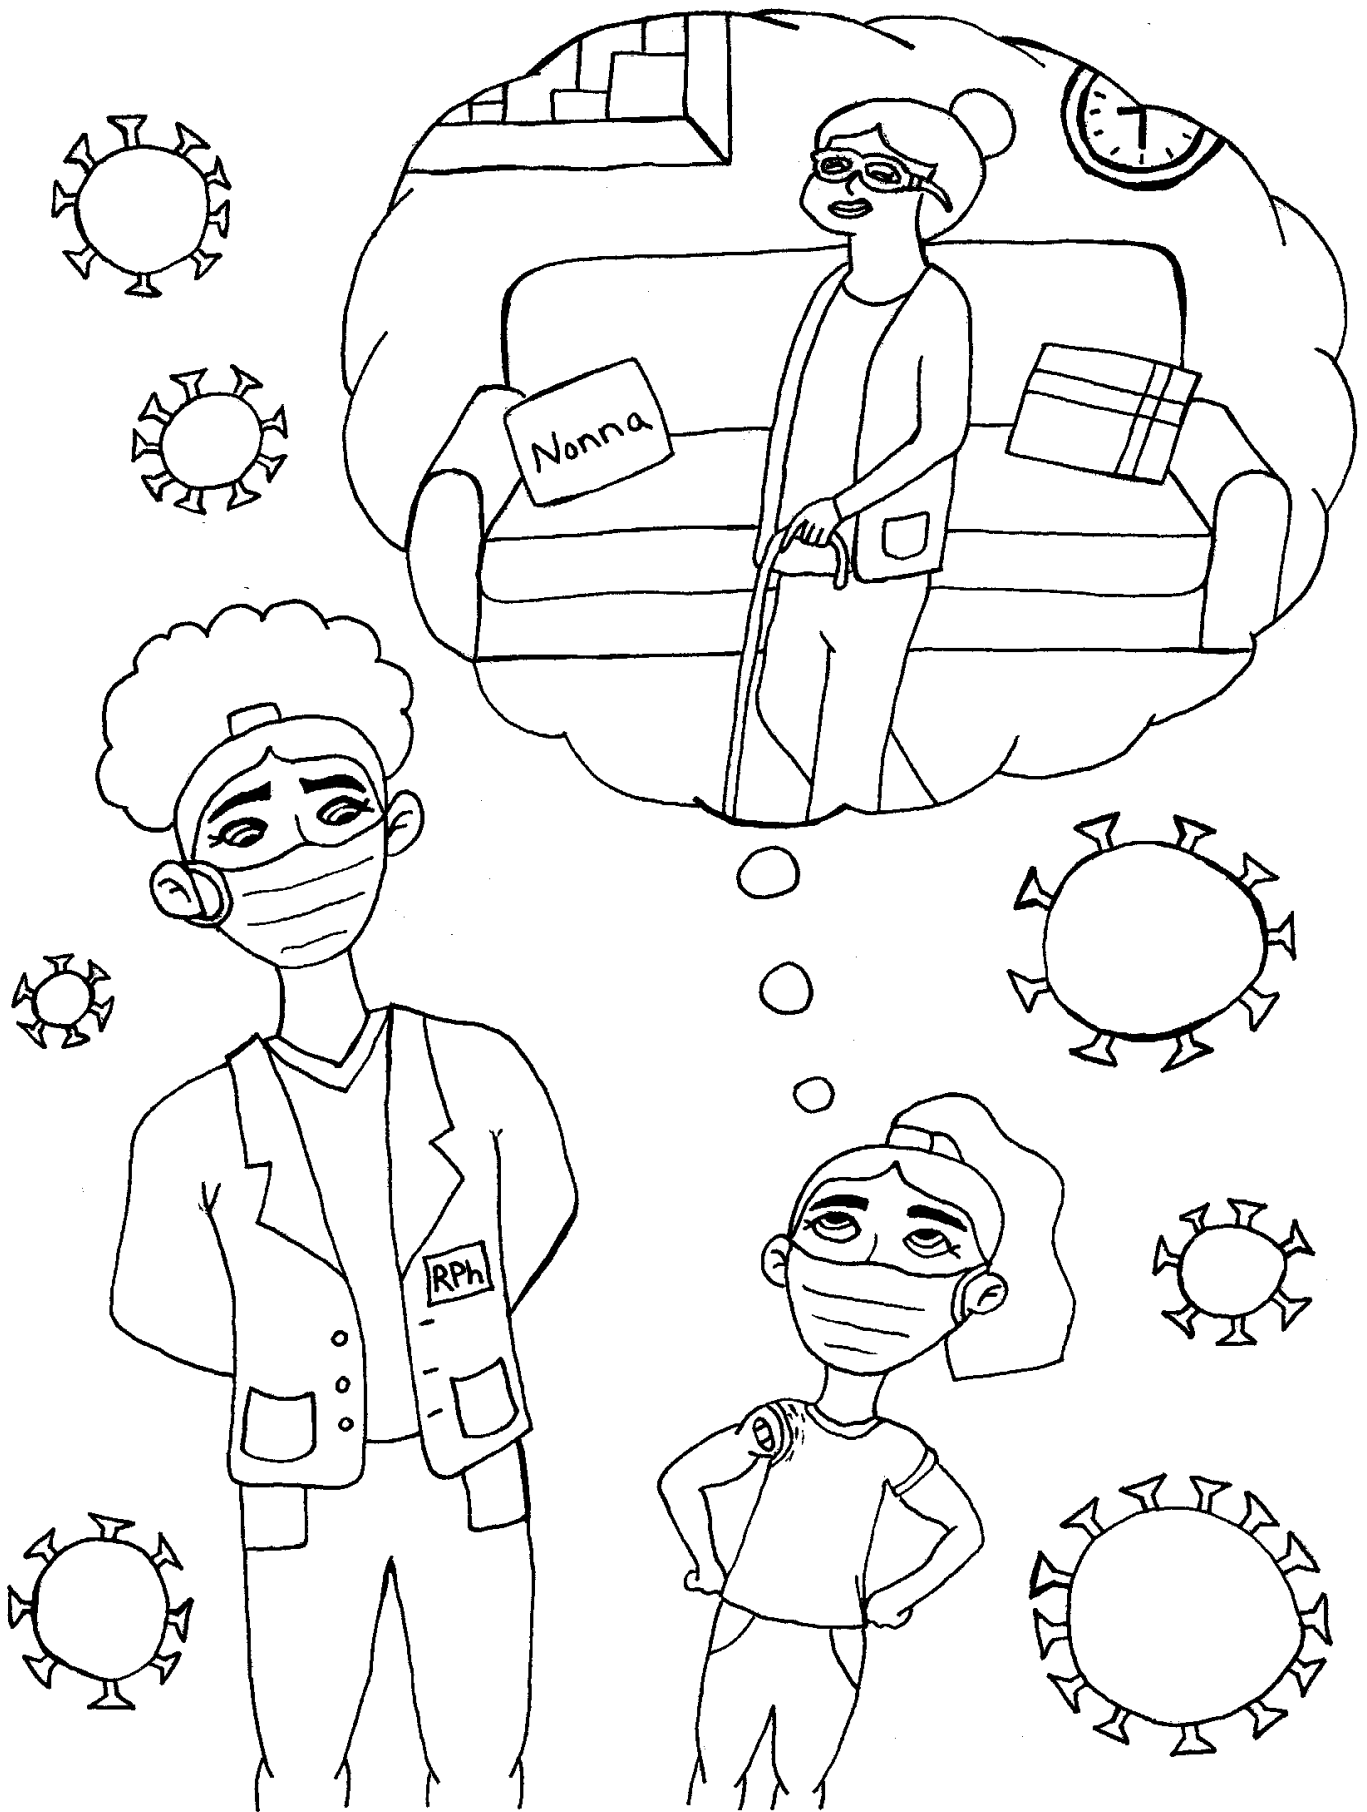

Julia G.
South Carolina

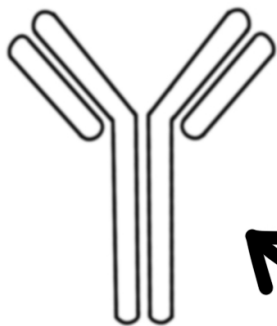

Getting vaccinated is like
having a
Super power

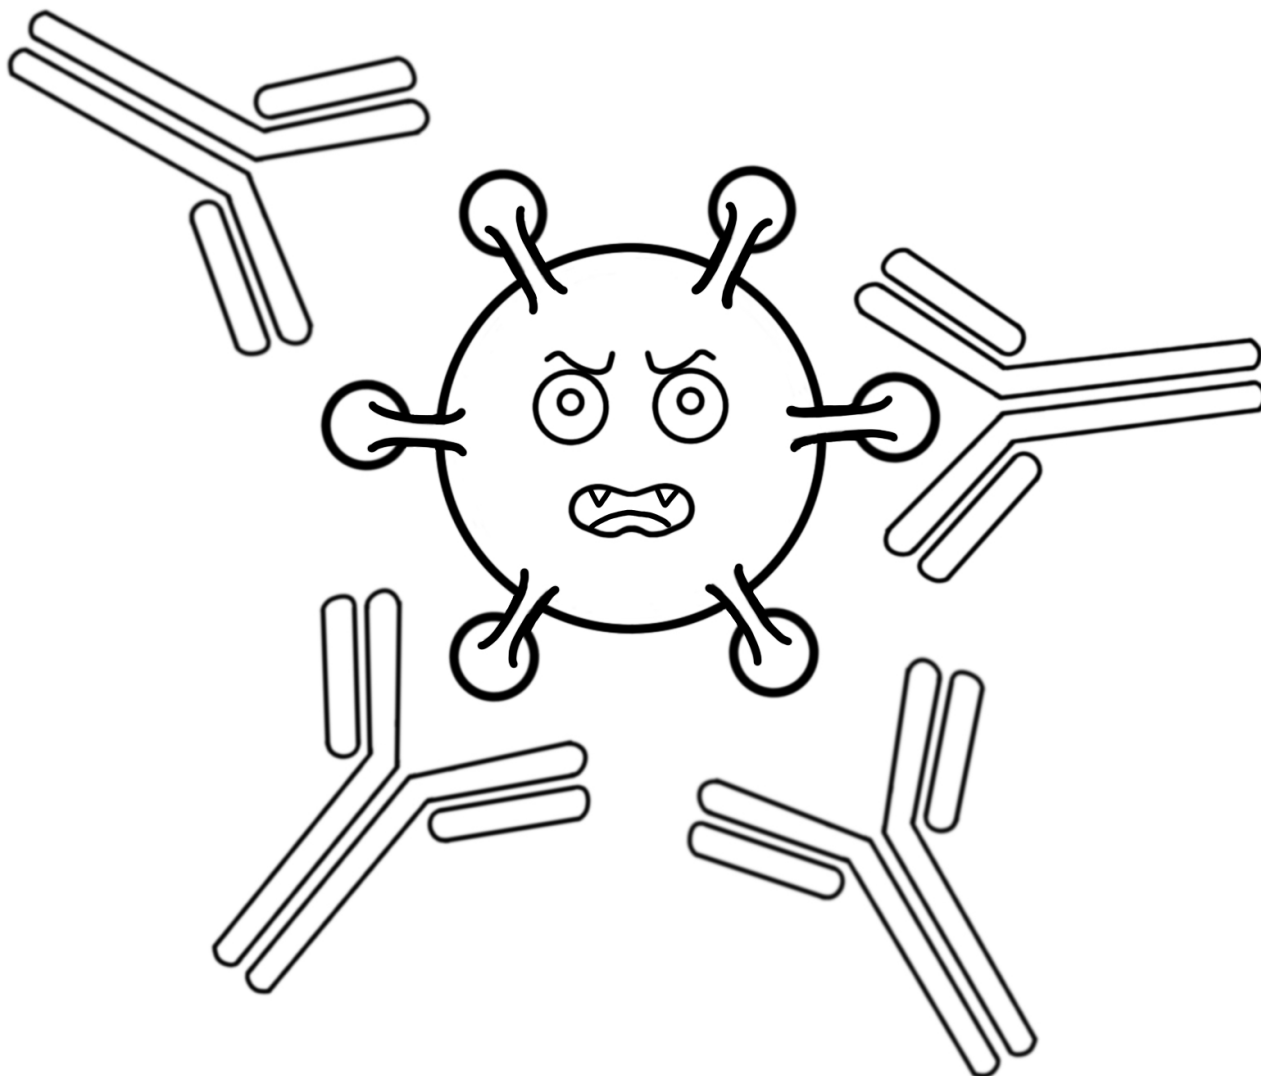

**Pharmacists help my
family and friends by
giving vaccines that
stop COVID-19 and
other germs.**

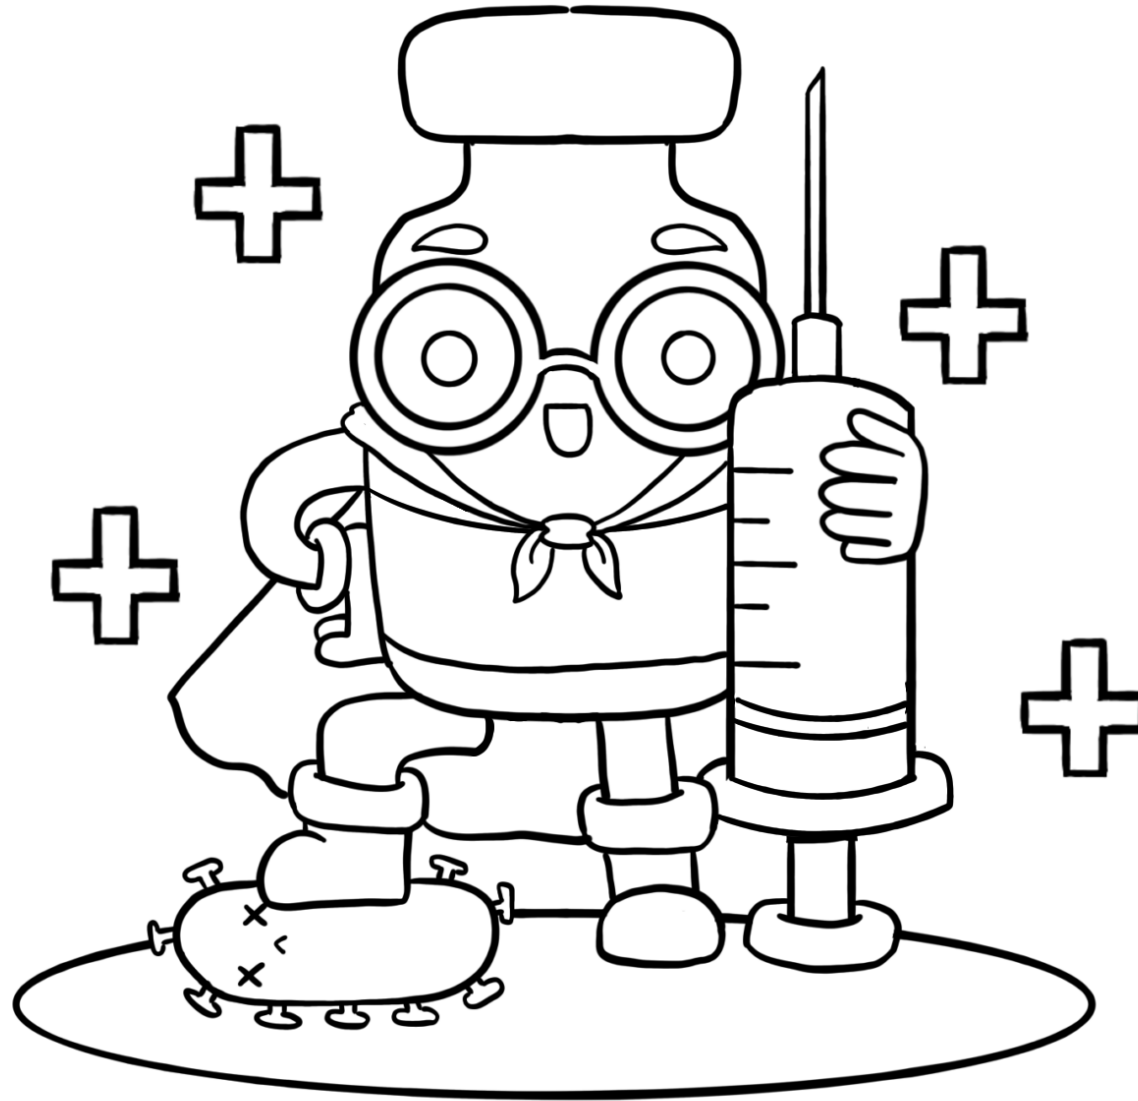

This is an antibody.

**Vaccines teach your body
to make antibodies
to fight viruses.**

LET'S BEAT COVID-19

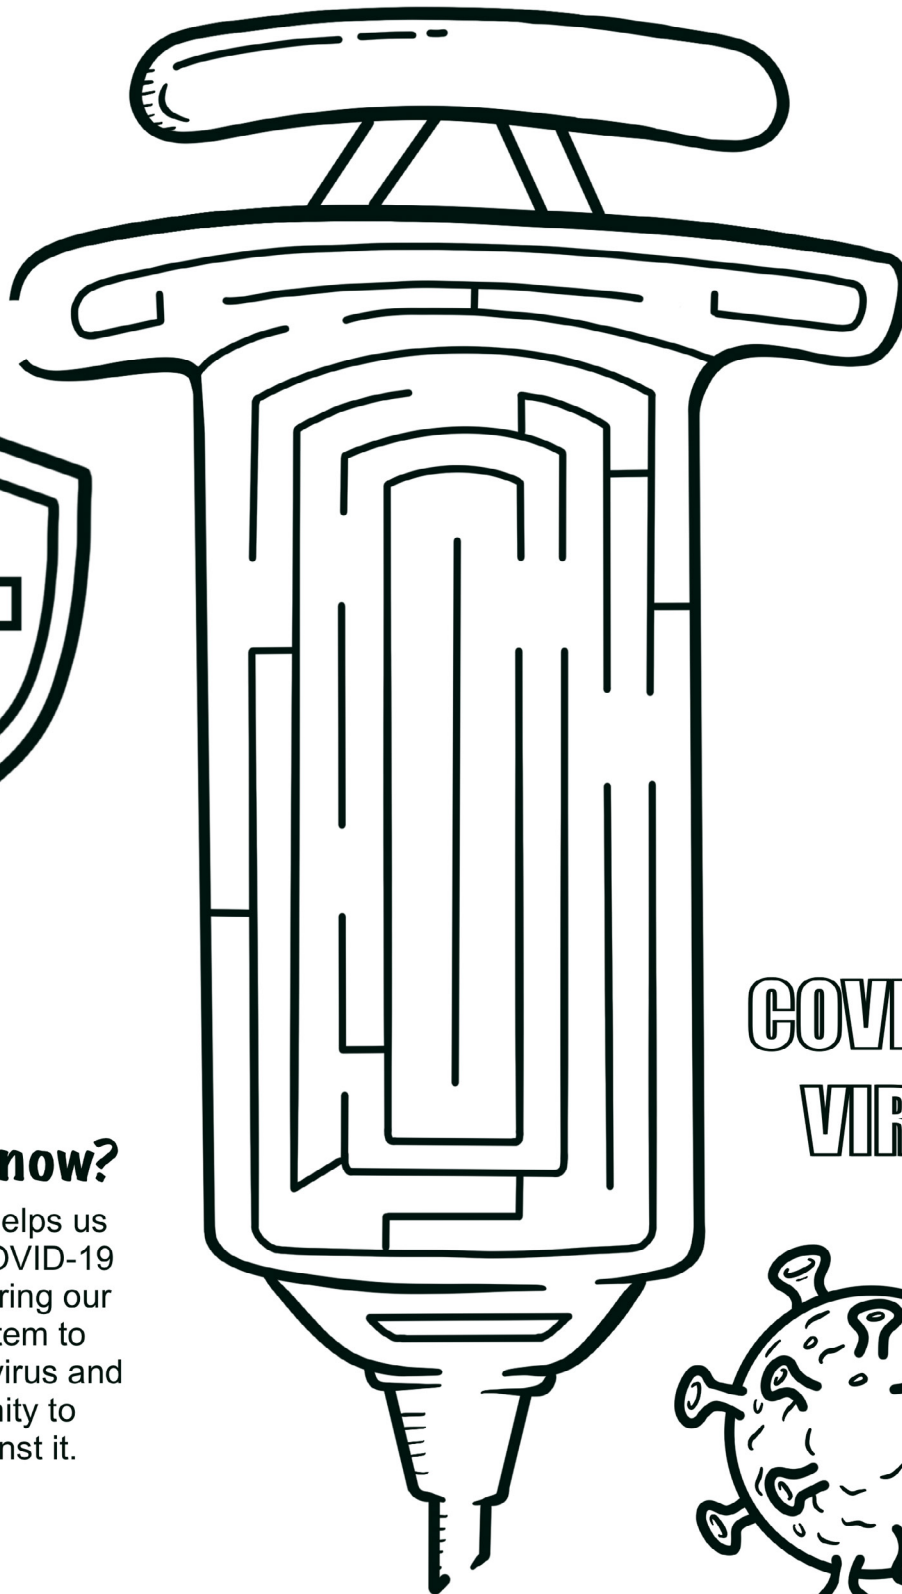

Activity: Using the maze, help your immune system find and recognize the COVID-19 virus by getting the vaccine.

**Start
Here**

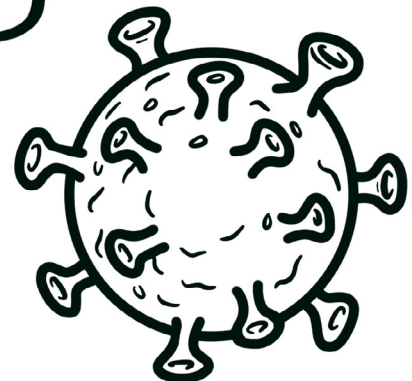

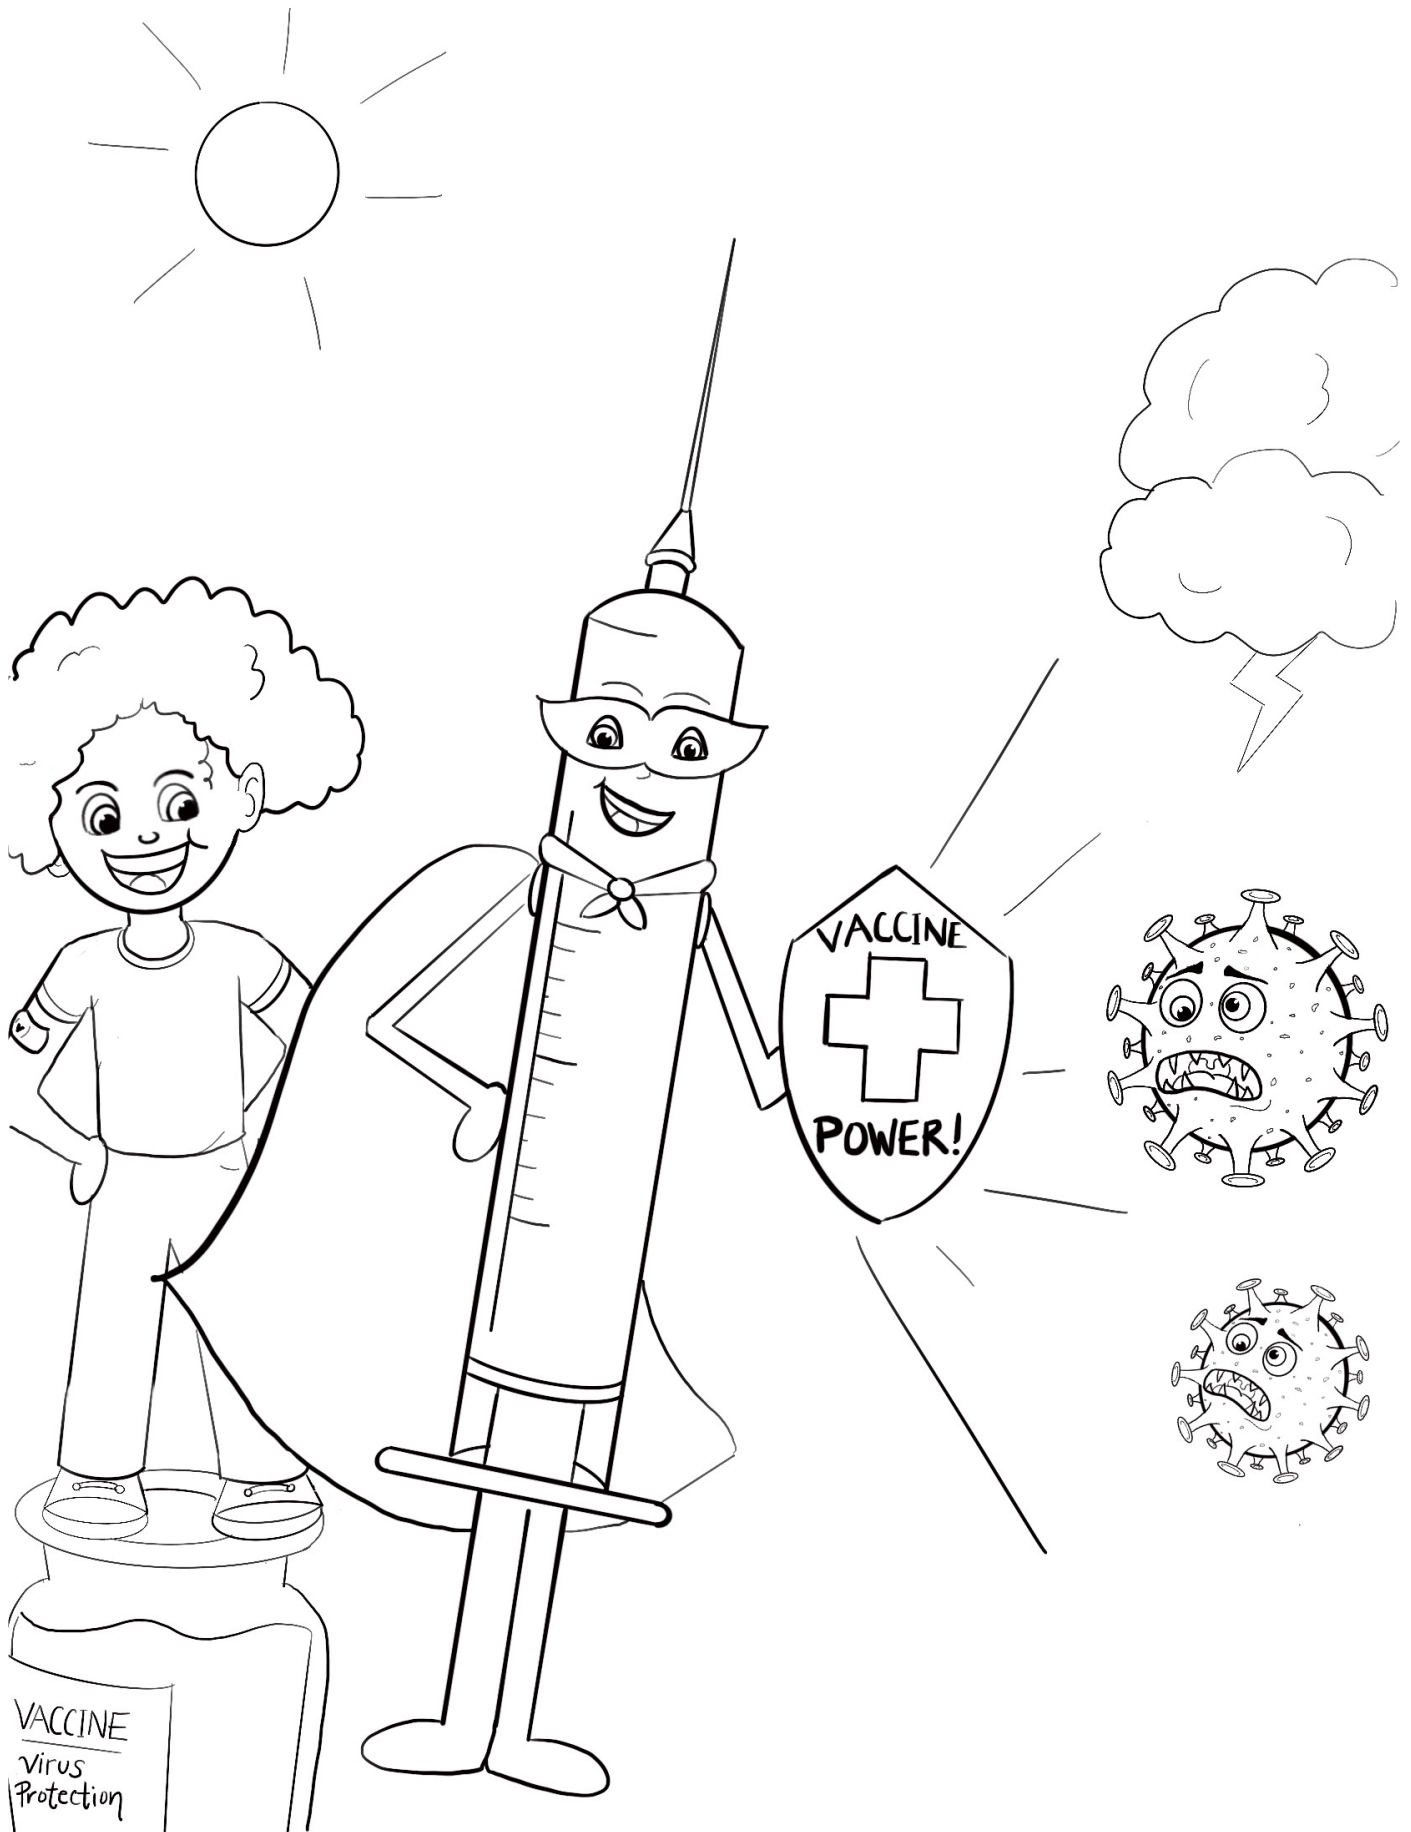

Did you know?

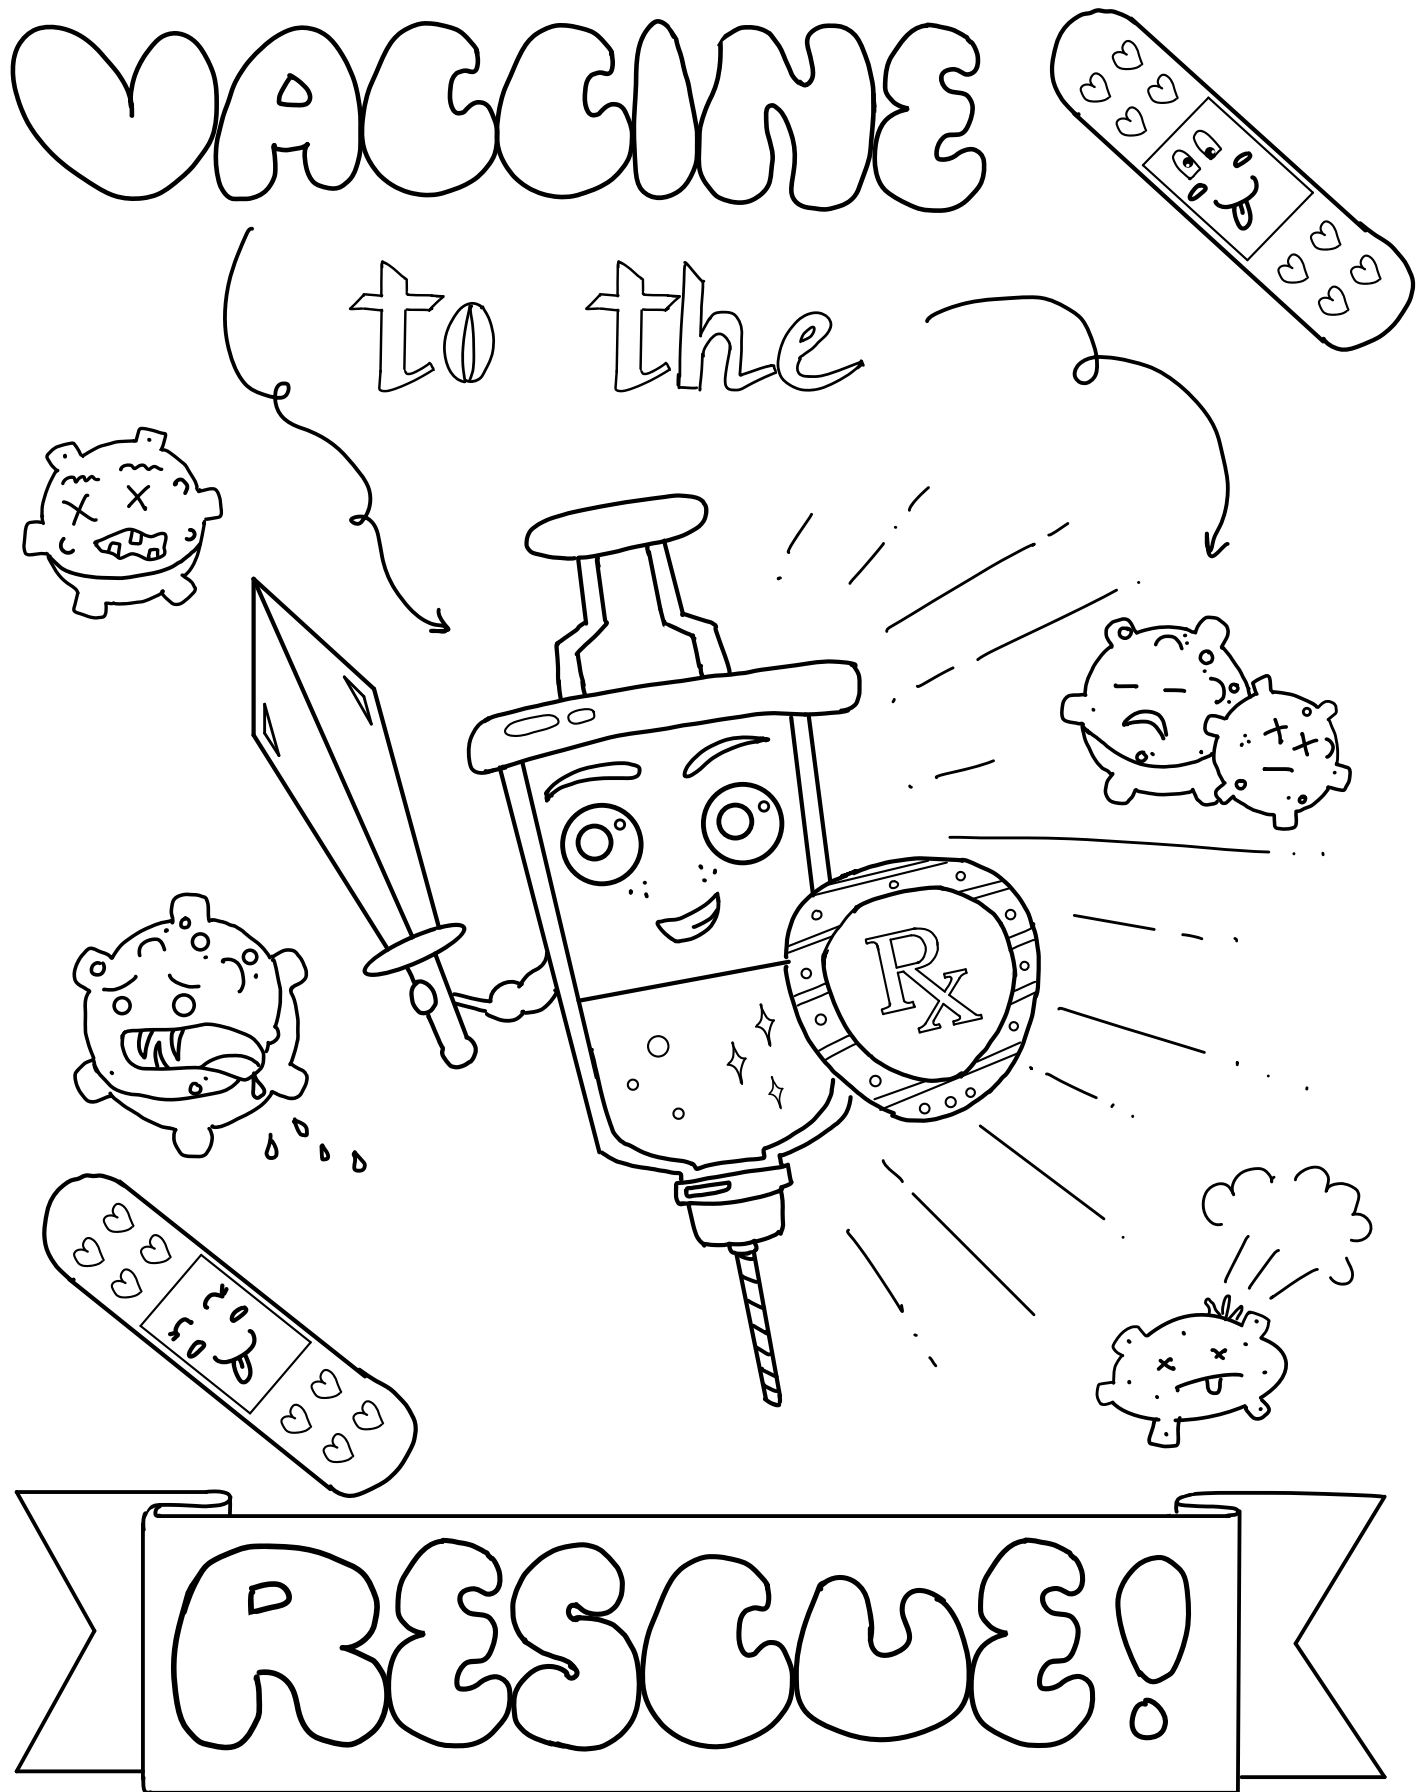

The vaccine helps us against the COVID-19 virus by triggering our immune system to recognize the virus and build immunity to defend against it.

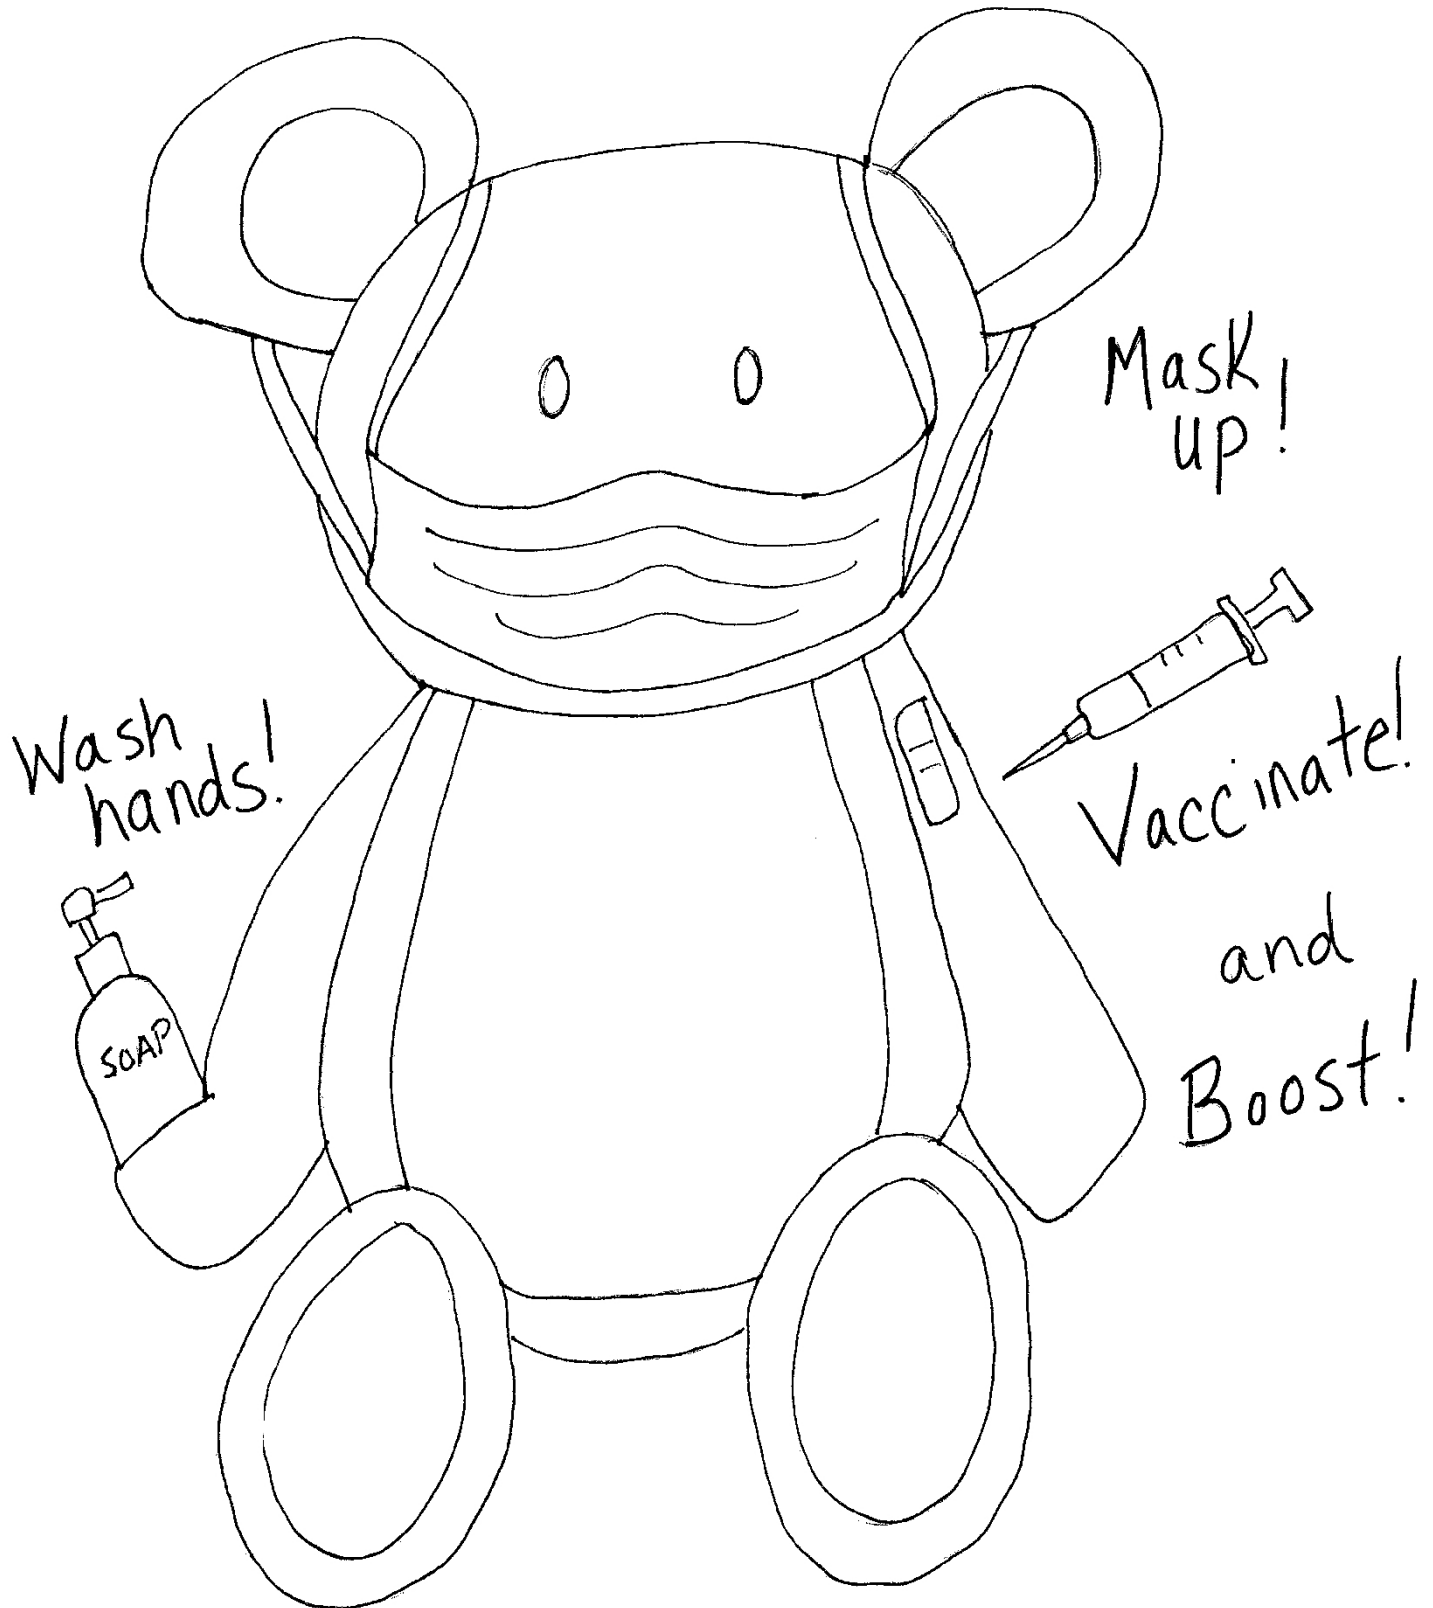

**COVID-19
VIRUS**

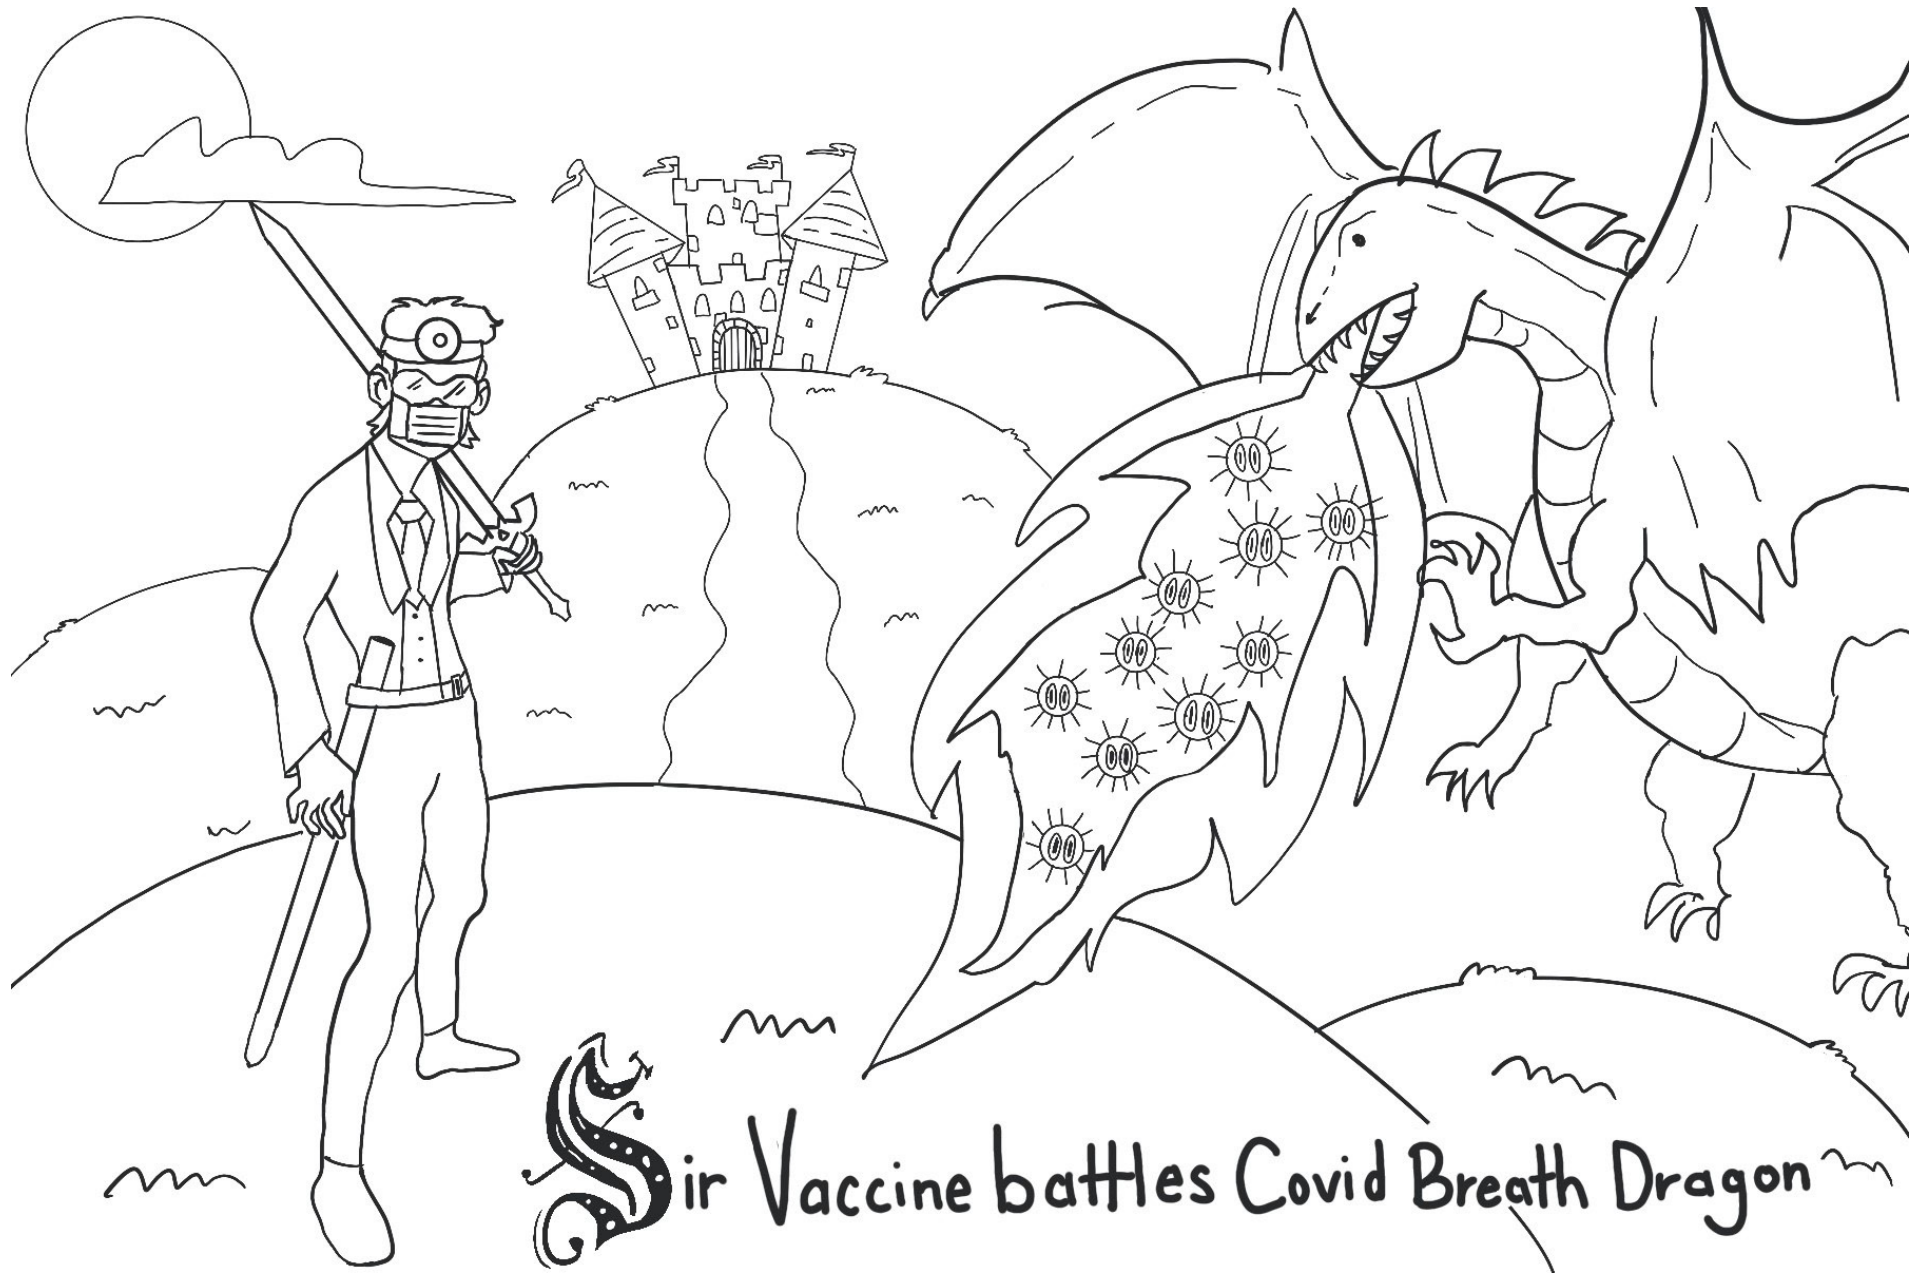

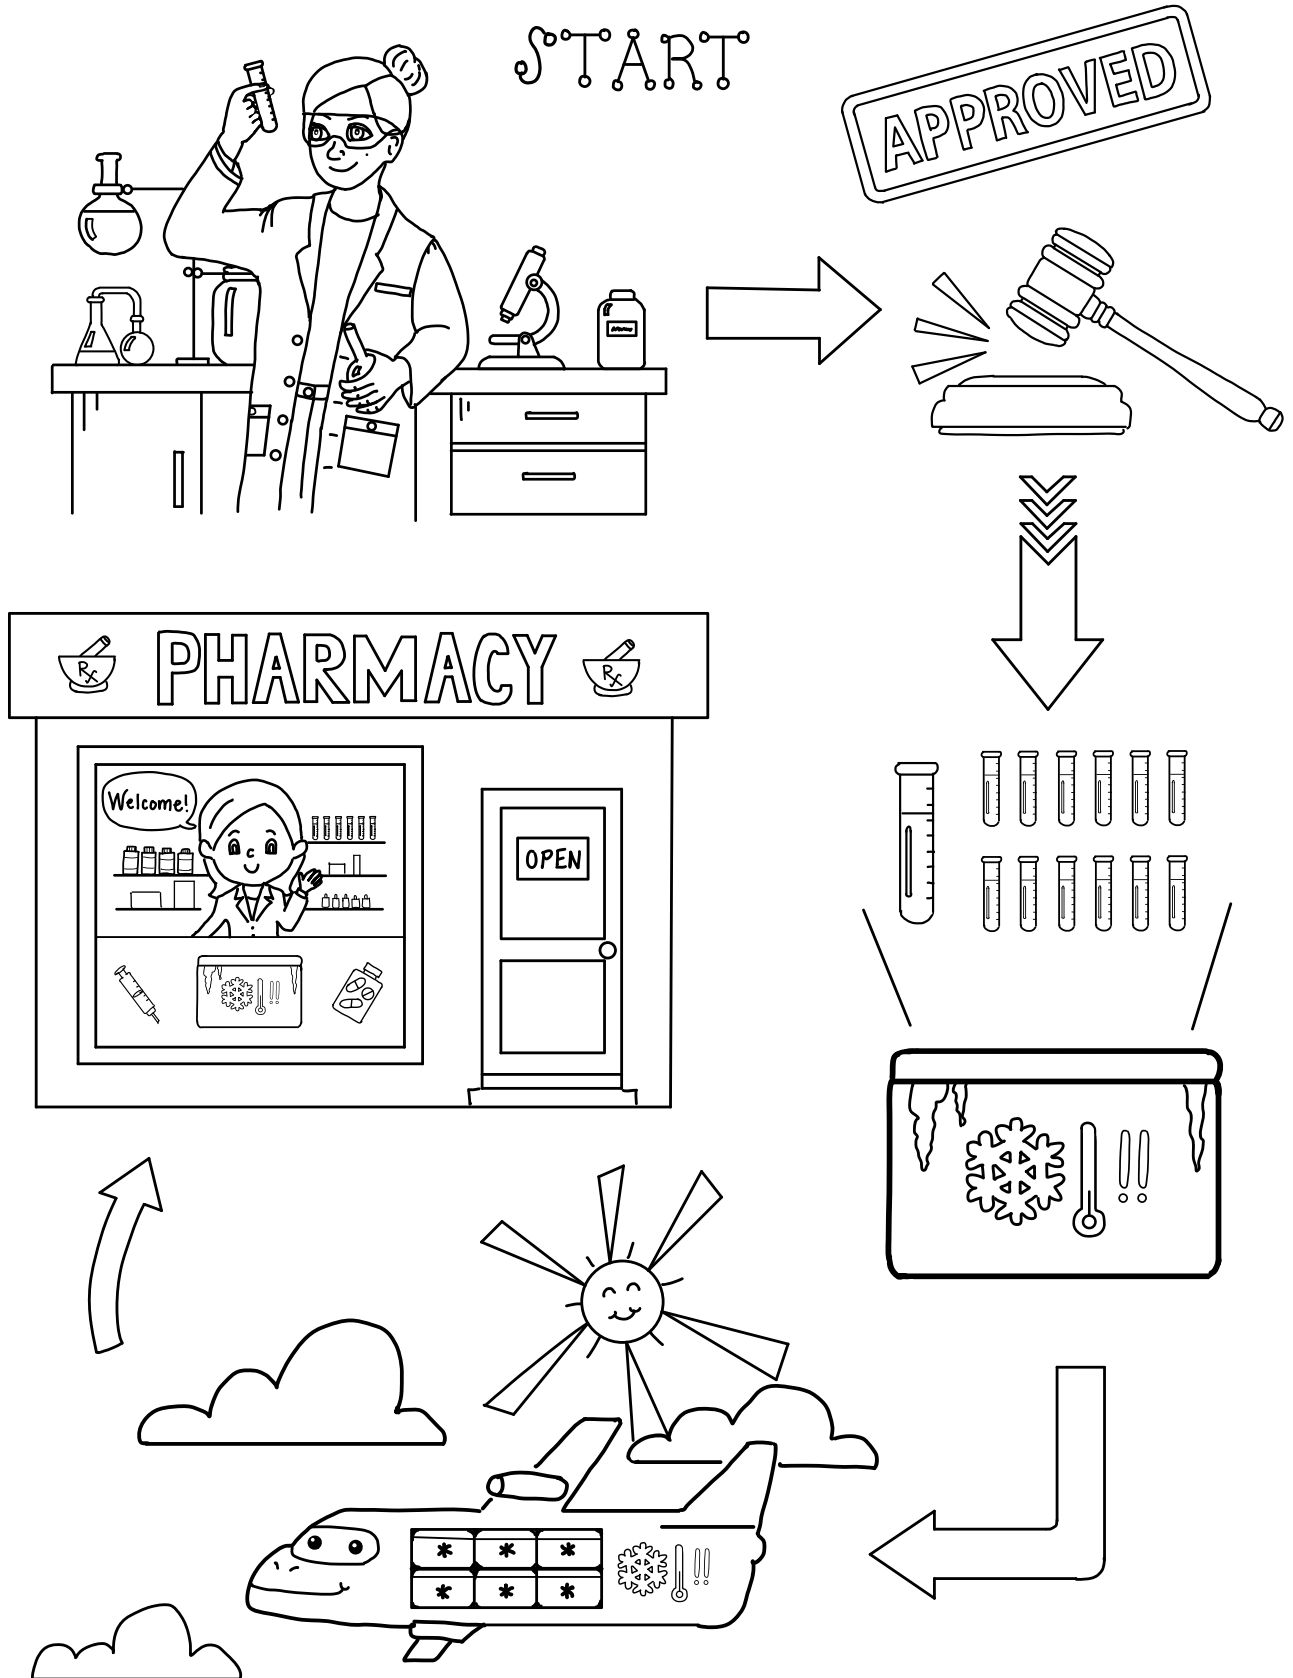

"Be Safe"

LIFE OF A VACCINE

Create your own message and drawing
