Medicare Part-B and Part-D Patients No Co-pay for Vaccines

APhA
Vaccine
Confident

NEW!
2023

Effective January 1, 2023, the Inflation Reduction Act (IRA) eliminated co-pays (out-of-pocket expense) for all CDC recommended vaccines.

Vaccines recommended by CDC for people 65 years of age and older are:

- Shingles vaccines
- Pneumococcal vaccine
- T-dap vaccine
- Influenza (flu) vaccine
- Hepatitis A and B vaccines
- Travel vaccines

Contact our pharmacy team to get more information or schedule an appointment.
